MMHA | Mississippi Manufactured Housing Association

EDUCATION SPONSORSHIP

MMHA will be holding several educational Conference Calls and regional sales seminars in 2021. MMHA strives to offer educational seminars that will keep our members informed in all aspects of the industry. Through these seminars, MMHA offers its members and affiliates the opportunity to enhance their technical and educational skills in the industry to better equip them to be more competitive, productive, and profitable.

Education Conference Calls
We hold eight seminars throughout the year and invite guest speakers to discuss various topics. **This year we trained over 565 people over eight education seminars and regional sales training events.**

Insurance and Sales Training Seminars
This year we will be focusing on sales, insurance, installation regulations, AML, SAR, Red Flag, and State Regulations. MMHA will be hosting three regional sales training seminars (Maybe virtual) for retailers across the state. We will offer our 12-hour insurance seminar in the spring. We will also offer 2 hours of sales and installation training at the MMHA Awards Event in May and the annual convention in July.
